

Rental Equipment

Bath Step Stool

Can be used as a step stool or chair in the bathroom.

Bath Grips (Shown in the foreground)

Bath Tray (Shown in position on the bath)

You can place items on the tray or rest your hands on it.

Rotating Bathtub Access Seat

The rotating seat makes it easier to get in and out of the bathtub.

Shower chair with back

The shower chair makes it easier take a shower while sitting down.

Bed Rail

This movable handrail helps a user to sit up and get out of bed.

Silwatch

This is a wristwatch-type receiver for the hearing impaired. It generates vibrations and a text display to alert the user to phone calls and door bell chimes.

Toilet Safety Rail

Enables toilets to be equipped with handrails.

Bed Side Rail

This helps to prevent bedding from shifting and falling off the bed.
