

# IMPERIAL HOTEL, KYOTO

## 2027 SUMMER Menu

### - Wellness Spa Journey

Advanced bio-nutrition technology delivers essential vitamins and minerals deep into the skin to promote cellular renewal, unveiling a radiant glow and firmness from within. As a fragrance inspired by the cool breezes of the Kamogawa River gently surrounds you, both mind and body drift into a state of profound peace. We invite you to enjoy this exceptional moment of quiet reset and renewal.

#### Nature's Eternal Rhythm

Body Treatment

60min ¥32,250    90min ¥43,200

Your journey begins with Monkō, the traditional art of appreciating Kyoto incense. Let the refreshing aroma guide you to a deeper breath, bringing harmony to mind and body. Enveloped in a fragrance reminiscent of the cool Kamo-River, this body treatment uses delicate pressure and a graceful rhythm to soothe summer fatigue and restore your natural flow.

#### Imperial Seasons Ritual

Body & Facial Treatment

90min ¥46,600    120min ¥57,600

Experienced therapists carefully assess your specific summer fatigue to tailor the ideal treatment for you.

A facial utilizing cold stones or cryo-globes effectively soothes overheated skin, bringing forth a refreshed and radiant beauty.

**We proudly unveiled “THE SPA at Imperial Hotel, Kyoto” this spring. As we welcome our very first summer, we have curated a selection of exquisite fragrances for you.**

**We invite you to unwind and indulge in our treatments, as well as our tranquil Spa Experience Zone.**

# THE SPA at Imperial Hotel, Kyoto

Inspired by the spirit of hospitality and the aesthetics of Gion Kobu, THE SPA harmonizes with Kyoto's history, culture, and nature.

Facilities include:

- Indoor pool
- Heat experience zone
- Twin and single treatment rooms

Seasonal treatments combined with sound meditation balance Ki, Blood and Water, supporting the body's natural flow.

Botanical, mineral, and scientific innovation work together to reveal radiance from within.

## Signature Menu

Sound meditation with ancient bell tones guides the body toward natural harmony.

### Silent Serenity

90min ¥46,600    120min ¥57,600

Beginning with sound meditation inspired by Kyoto's stillness, this body treatment releases stagnation through flowing techniques and mindful breath.

The 120-minute course includes a head massage to further enhance circulation.

Leave with clarity, lightness, and quiet vitality.

### Deep Stone Revive Therapy

90min ¥46,600    120min ¥57,600

Hot stones and deep tissue techniques release tension in the deeper muscles.

Jasper stones support the balance of Ki, Blood and Water, restoring vitality.

The 120-minute course includes a facial massage using warm and cool stones for a refined, luminous finish.

## Spa Ritual

A curated ritual designed to awaken your inner light. Blending Kyoto's serenity with OSKIA, the British nutritional skincare brand, this experience guides the body toward renewal and harmony.

## Bio-Nutrition Ritual

90min ¥46,600    120min ¥57,600

Using OSKIA's nutrient-rich formulations, this treatment restores radiance from within. A full-body massage enhances circulation and lymphatic flow. A signature facial using lactic acid, enzymes, and vitamin C refines tone, firms the contour, and delivers deep hydration. 90 minutes includes body and 30-minute facial. 120 minutes includes an extended 60-minute signature facial for enhanced clarity and luminosity.

## Imperial Experience

150min    one person    ¥75,900    two people    ¥142,300

A comprehensive luxury ritual for face and body. A mineral-rich scrub gently refines the skin, followed by a customized body treatment using antioxidant oils such as rose, jasmine, wild mint, eucalyptus, and cypress. The facial combines OSKIA's advanced techniques with cryo-lifting to refine the contour and restore visible radiance.
